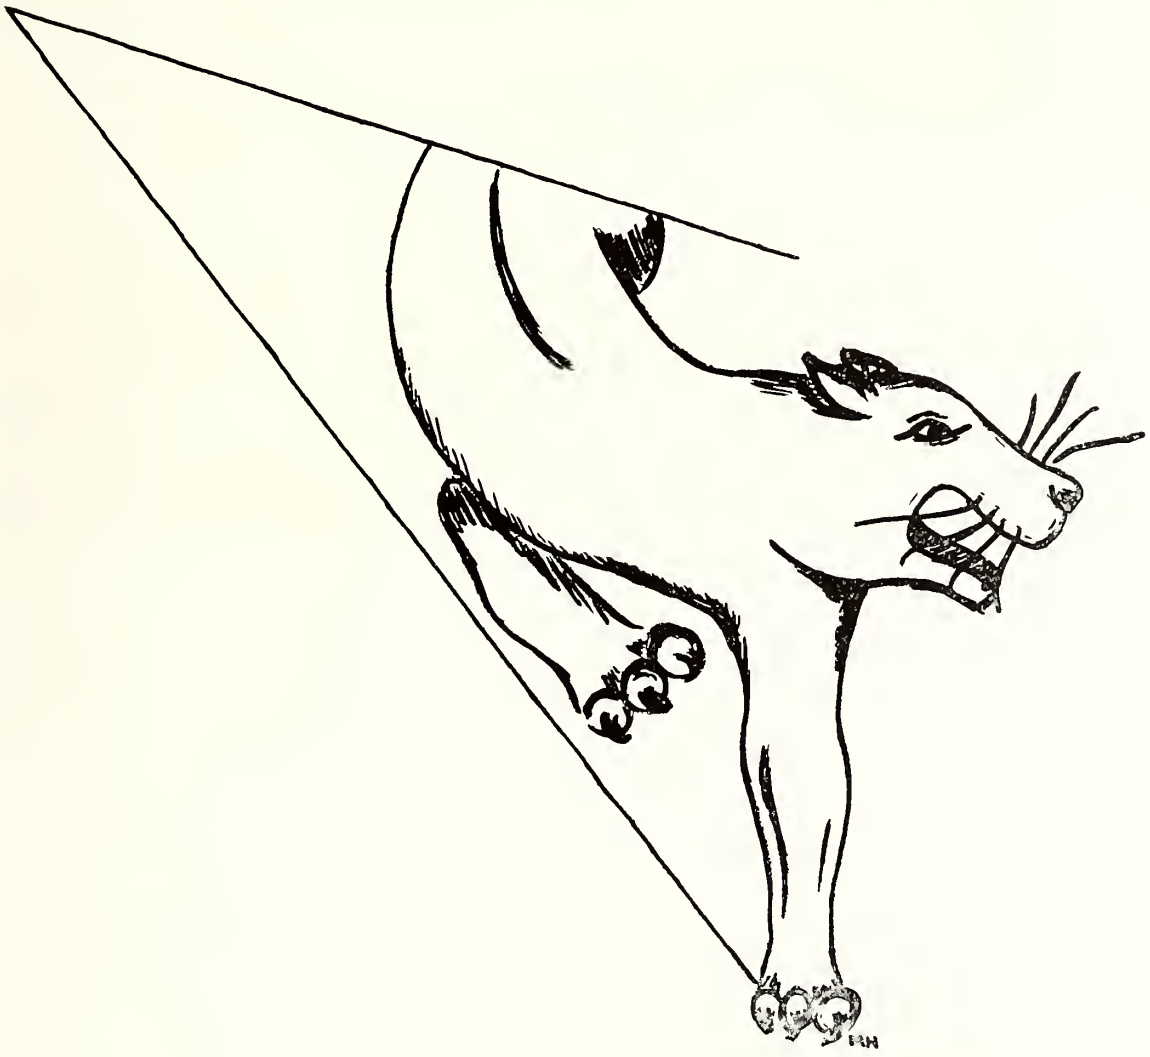
The 1959
Catamount



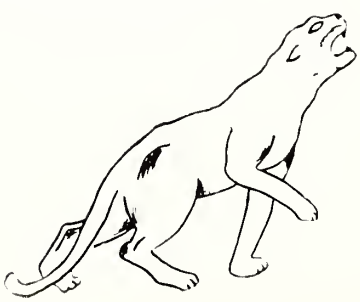
Potomac State College
of West Virginia University

Dr. Ernest E. Church

President

Tears and laughter will be mingled in the pages of the 1959 Catamount; but, withal, those pages will preserve priceless memories of a never-to-be-forgotten year at Potomac State College.

Congratulations to the staff and its sponsors for an invaluable service.



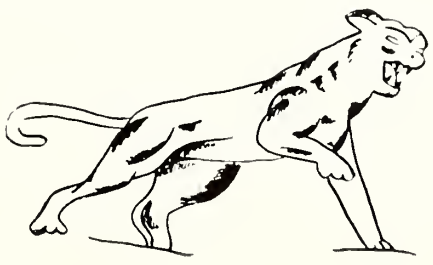
Mr. Kirkland S. McKee

Dean

Education as a discipline of the mind is the key which unlocks the door to the development of one's whole personality.

Potomac State College with its excellent academic program and its many extra-curricular activities affords the student this key for self-development and outstanding leadership.

This 1959 Catamount effectively portrays the full college life. We express our appreciation to the staff and sponsors for this excellent edition.



We Honor

Mr. John W. Stanhagen

Through the years students of Potomac State campus have found the Student Center a happy rendezvous for between-class activities. The genial manager, Mr. John Stanhagen, graciously greets them as they seek companionship with colleagues over a cup of chocolate or "coke." "Sleepy" Stanhagen, as he is familiarly known to his many friends, in a sense is the unofficial host of the college to students and parents. His Center is truly a pivotal point wherein one may collect his mail, wait for a friend, make a 'phone call, find a pleasant selection for lunch, purchase a text, be entertained by rock 'n' roll records, try his skill at pinball, or accept a challenge to pingpong.

With sincere appreciation for countless thoughtful gestures of kindness and consideration, the staff affectionately dedicates the 1959 CATAMOUNT to Mr. John W. Stanhagan.

Eta Upsilon Gamma was founded at Christian College, Columbia, Missouri, in 1901; it is the oldest national junior college sorority in the National College Panhellenic. The aims of the sorority are to promote scholarship, to stimulate school spirit, and to enrich and broaden friendship.

In October a rush party was held at the Upper Potomac Shrine Club. During the year the Gammas co-sponsored two dances, the Harvest Swing and the Spring Formal, with their brother fraternity, Theta Sigma Chi.

Honors bestowed upon the sorority are as follows: ROTC sponsors, Darley Sue Broome and Margaret Frey; Queen of the Harvest Swing, Joan Guire; Campus Cover Girl, Eleanor Dickey; Mineral Daily Calendar Girl, Joan Guire.

The sorority sponsored bake sales in the dormitories and sent a basket of food to a needy family.

The climax of the year was the annual spring banquet held in honor of the departing sophomores, which is given jointly by the brother fraternity, Theta Sigma Chi, and the annual picnic.

Kappa Delta Psi was organized April 26, 1951. The objectives of this sorority are to further scholarship, to stimulate school spirit, to promote high moral standards, to develop a close feeling of friendship among its members and a loyalty to Potomac State College, its founding place.

In 1958-59 Louise Pyles was elected Homecoming Queen and Donna Ashenfelter was chosen Apple Blossom Princess and Queen of the Military Ball. Louise Pyles and Donna Ashenfelter served as ROTC sponsors; Judy Burns was selected for the coming year. Four Kappas served on the cheering squad: Elaine Smith, Jeanie Wotruba, Kitty Sindy and Donna Ashenfelter, captain.

In the fall the sorority entertained the freshman women with a style show and party at the Keyser Fire Hall. A Thanksgiving basket was delivered to a needy family by the group. Gifts were exchanged by the members at a Christmas party held at the home of Mrs. Earl Hess. With their brother fraternity, Phi Kappa Omega, the sorority co-sponsored a fall party at the Moose Home and the annual Easter Ball. The year was climaxed by a picnic with the fraternity and the annual spring banquet.

During the second semester Sanford M. Leathers served as president; Robert L. Henry, Jr., acted as chaplain and Thomas E. Greaser was elected to the office of Sergeant-at-Arms.

Phi Kappa Omega Fraternity, which was organized in 1949 to further promote the ideals of scholarship, sound moral character, and cooperation among fellow members, works constantly for the betterment of Potomac State College.

The men of Phi Kappa Omega proudly point to their 1958-59 accomplishments. Brother Ronald Lawman served as student body president; Daniel McFadden was president of the sophomore class; and Sanford Leathers acted as president of the men's dormitories. Lawman was also Cadet Commander of the R. O. T. C. unit.

The float entered by Phi Kappa Omega during the homecoming parade won first place as the most colorful. During the year the Roth presented the fraternity a plaque in recognition of its services during the Blood Donors Campaign.

Acting in cooperation with its sister sorority, Kappa Delta Psi, the annual Kappa Easter Ball was again one of the highlights of the campus.

To close out another outstanding year was the annual spring picnic and banquet.

Epsilon Chapter of Sigma Iota Chi is the oldest sorority on the campus of Potomac State College. Sigma was founded in 1903 at the University of the South at Sewanee, Tennessee, by Greer A. Duncan. It has become the largest junior college sorority in the United States. Carrying on the spirit and ideals of the first chapter, the group stresses the importance of scholastic achievement and fellowship.

Worthy Matron, Beverly Bryan, attended the Sigma Iota Chi National Convention held at Rider College, Trenton, New Jersey, during the summer.

Using the theme "Miss Potomac State Pageant," Sigmas welcomed the freshmen women with their rush party at the home of Mrs. Thad Huffman. Of the sixteen pledges received in October, ten were initiated in March.

Beverly Bryan was a princess in the Homecoming Parade. Miss Regina Stento, who was crowned Queen of Winter at the Jingle Bell Hop, was also chosen Calendar Girl for the month of February. Regina Stento, Anne Drane, and Joyce Moffitt were chosen as R. O. T. C. Sponsors. At the annual Sigma Sweetheart Ball in February Miss Patricia Kalbaugh was selected to reign as Sigma Sweetheart. One of the Freshman women, Anne Drane, was chosen to reign as Queen of the West Virginia State Fair to be held at Lewisburg, from August 24-29. Sigma Iota Chi won the award for the Best Cheering Section at a contest sponsored by the cheerleaders to boost school spirit.

Two Sigma Sisters were married during the school term. They are: Mrs. Elaine Hinegardner Hauck and Mrs. Barbara Harman Lambert.

During the year, Sigma Sorority has several parties with their brother fraternity, Phi Sigma Nu. Carrying out the program of "Bringing Joy to Others," they distributed food to the needy at Thanksgiving and Christmas.

Phi Sigma Nu, founded in 1922, has been one of the outstanding social groups of Potomac State College. The fraternity was granted a National Charter by the National College Panhellenic and was designated as Beta Chapter.

A successful pledge party marked the beginning of the College year. Informal social events, highlighted by the Annual Jingle Bell Hop, the traditional Christmas dance, were held. At the Christmas dance, Brother A. Hart Stemple and Regina Stento were crowned King and Queen of Winter.

Phi Sigma Nu participated in all College sponsored events, winning awards for a float in the Home-Coming parade, for the best cheering section at home games. Members of Phi Sigma Nu held offices of importance on the campus.

Phi Sigma Nu demands of its members scholastic achievement, college spirit, interest in all college activities, high moral standing, and individual development. For fifteen years Phi Sigma Nu has won the Dean's scholarship award for the Greek letter organization making the highest scholastic average as a group.

The bonds of friendship established in Phi Sigma Nu will be lasting memories in the years to come.

Sigma Phi Omega

Throughout the years, Sigma Phi Omega has held an honored place at Potomac State College. Organized in 1923 to promote scholarship and campus citizenship, it strives to live up to the ideals of its founders. It is still a local fraternity with its own constitution, ritual, insignia, and traditions.

Certain functions of the school year are associated with Sigma Phi Omega. As the society draws its membership from all campus groups, so it is proper that it should sponsor the two convocations honoring Potomac State's organizations. This year at the KNOW YOUR ORGANIZATIONS Convocation, held shortly after the opening of the college year, Sigma Phi Omega presented the roster of all campus organizations to the freshmen and described the history and objectives of each group. In the spring it sponsored the annual RECOGNITION DAY Convocation, where honor was bestowed upon leadership and achievement in every field of college life. The formal initiation of new members and the banquet in their honor, attended by faculty and actives, hold an important place on the college calendar. At the banquet this year, Sigma Phi Omega was honored to present as guest speaker the new president of West Virginia University, Dr. Elvis J. Stahr, Jr.

Members of Sigma Phi Omega recognize both the honor and the responsibility which membership entails, and they strive to maintain high standards of scholarship, to participate in student activities, and to co-operate with the college at all times.

The Pasquino

The PASQUINO, Potomac State's student newspaper, completed its fortieth year of publication, May, 1959.

Aside from the campus circulation, the PASQUINO is mailed to parents of non-commuting students and to the college's alumni all over the world. The total circulation is approximately 1,500.

Journalism majors form the basis of the staff, but many volunteer workers are also valuable to the staff in the editorial, business, and circulation departments.

The PASQUINO undertakes the annual publication of the Student-Faculty Directory. Social highlight of the year is the spring Press Banquet, at which the guest speaker is an outstanding journalist.

Published fortnightly, the PASQUINO is a charter member of the West Virginia Intercollegiate Press Association.

Home Economics Club

The Home Economics Club was organized in 1936. This organization extends an invitation to all women students on the campus who may be interested in homemaking.

The activities for this year included serving as hostesses for Parents Day, sponsoring a Christmas party for sixteen members of the first grade in the Keyser Elementary School, participating in the annual spring meeting of the West Virginia Home Economics Association at Jackson's Mill, and attending services during Religious Emphasis Week on the campus as a group. Other activities were the sale of chrysanthemums on the campus for Homecoming, cooperation with the Agriculture Club to construct a prize winning float in the Homecoming parade, and a series of bake sales in Memorial Hall.

The Home Economics club at Potomac State is a member of the West Virginia Home Economics Association and the American Home Economics Association. This group is offering a scholarship to a freshman girl entering Potomac State to major in Home Economics for the school year beginning September, 1959. Details of this will appear in the school catalog.

Student Council

The organization known as the Student Council acts as an executive body for the students of Potomac State College. Its formation was deemed necessary in order that a closer relationship between the administration and the student could exist. Although the council's main objectives are of the administrative nature, it also promotes school spirit and fellowship.

Throughout the school year, the Council promoted many important events. During Freshman Week, it assisted in the orientation program for the incoming freshmen, and later organized the Freshman Class. Rules and regulations for the freshman students were made and enforced by the Kangaroo Court under the direction of the Council. As football season arrived, the Council supervised the selection of cheerleaders, held "thuses" and sold programs for the football games.

The Council sponsored the revision of the Constitution of the Student Body and presented it to the faculty and administration for its approval.

Two gala affairs of the campus, the Homecoming Ball, and the May Day Ball, were sponsored by the Council.

Upon recommendation of the Athletic Department, the Council presented letters and sweaters to athletes.

The Student Council consists of twenty-two members as provided by the 1959 revised constitution.

Having gone into its fortieth year, the Potomac Players Club has the distinction of being the oldest cultural organization on campus. The Players provide students with training in all fields related to histrionics: acting, make-up, set designing, and stage managing.

Worthy contributions and outstanding work in this organization are rewarded with membership in the Delta Psi Omega, an honorary national dramatic society.

This year the Potomac State Players produced a two-act comedy, THE SOLID GOLD CADILLAC, with the following cast:

Harold Lee Courtney, Richard Morris, Brenda Johnson, Lake Slacum, Rocco Palumbo, Warren Eisenhower, Colleen Davis, Edward Beams, Eleanor Dickey, Patrick Bane, Mary Margaret Hague, David L. Boston, John Gyorda, Pamela Pamer, Robert Lewis, and W. Scott Bowie.

Delta Psi Omega is the largest honor society in dramatics for junior colleges with more than two hundred active chapters scattered throughout the United States. The Potomac State cast, number 110, was instituted in 1943.

Students are selected for membership on a point basis. One hundred points must be accumulated by work in some phase of dramatics before the individual may be considered for membership. Election to the society, however, is not automatic; candidates must satisfy both national and local requirements for election.

Delta Psi Omega does not exist as a replacement for dramatic clubs, but is rather a fraternity to give recognition to members of such organizations who excel in this field.

"A sport for every woman and every woman in a sport" is the motto of the Women's Athletic Association. It was organized to popularize women's athletics and to provide leisure time activities.

The aims of this organization are to develop standards of leadership and sportsmanship and to promote those activities which may be adapted to the leisure time of later school. Intramural games are bowling, volleyball, basketball, pingpong, badminton and shuffleboard.

The club is open to all girls enrolled in Potomac State. A total of two hundred fifty points entitles a member to an emblem. These points are acquired by participation in tournaments, attending meetings and in other ways.

W. A. A. made corsages for the mothers on Parents' Day. This project proved extremely successful.

Potomac State Singers

The Singers of Potomac State College were organized in 1926 to give the students who were interested in singing an opportunity to enjoy group participation in the art.

From a humble beginning the Singers group has grown both in number and reputation to become the most active cultural organization on the campus. Potomac State sends this group on annual tours to represent the college at many high schools in the tri-state area.

The highlight of the winter season was the presentation of "The Adoration," a cantata by Nevin, which was sung before the Keyser Rotary Club and the college as the Christmas convocation. The cantata featured the Mixed Chorus, the Men's and Women's Choruses, and soloists, Carolyn Smith and Robert Young.

The Singers also added special music to the annual "Religious Emphasis Week" program.

Climaxing the year with their last performance for the graduating members, the Singers provided the music for the Commencement convocation.
